ORINDA SUN

Vol. X, No. 9 — Lafayette — Orinda, California — Friday, May 16, 1952 — Ten Cents

Crossroad Plan In Few Weeks

SIX SMILING REASONS for the expected success of "Orinda Roundup," to be given at St. Mary's College June 7 and 8 by Santa Maria Parish, are, left to right, Patty Kiernan, Nancy Carroll, Barbara Lawrence, Frances Kiernan (with poster), Joan Carroll and Cathy Greub, Acalanes students active in planning teen-age participation in the celebration. Oh yes — that lucky guy in front is Entertainment Committeeman Marshall Moran.

Walter Friberg New President Of Lions Club

Walter Friberg was elected president of Orinda Lions Club at the club's dinner meeting Wednesday night at the Willows.

Other officers elected were Kenneth Courtright, first vice-president; Bart McMahon, second vice-president; Joe Navone, third vice-president; Jack Cooper, secretary, and James Lucas, treasurer.

Directors are Nathan Gray and Rudy Rasmussen, Jack Thies, Lion Tamer, and Tom Pauli, Tail Twister.

Installation of the new officers will be held June 4 at a combined dinner-dance meeting of Orinda and Danville Lions Clubs at Diablo Country Club.

Dr. Arthur Campbell, head of the science department at St. Mary's College, spoke on "Sermon of Stones." His talk was a correlation of historical data to establish the age of rock formations in Contra Costa County.

Gerry Cullen, scoutmaster of Troop 207, which is sponsored by Orinda Lions Club, made his annual report of the troop's activities and achievements.

S. N. Tracks? – Future Hinges on Oakland Franchise

Still pending last night, as this issue of the Sun went to press, was Oakland Terminal Railway's application to the City of Oakland for a franchise for a half-mile of track from 12th and Union, to connect with Western Pacific's line on First Street.

Upon the granting of the franchise hinges Western Pacific's plans for abandoning 16 miles of Sacramento Northern tracks—eight miles from West Lafayette Station to Oakland, and eight miles in Oakland.

WESTERN PACIFIC, owner of Sacramento Northern, still planned to tear up the old S. N. tracks, despit rising commuter sentiment for revival of railroad commute service.

The Oakland Terminal Railway is owned jointly by Western Pacific and Santa Fe Railroads. Granting of the Oakland franchise would be followed by application by O. T. R. to the Interstate Commerce Commission for authority to build, and by simultaneous application by Western Pacific to I. C. C. for authority to abandon the Sacramento Northern tracks.

LAST WEEK the Oakland City Council, by a vote of 6 to 2, passed a motion expressing interest in granting the O. T. R. franchise if certain restrictions are met.

The office of G. H. Kneiss, assistant to the president of Western Pacific, pointed out yesterday that restrictions had already been agreed to. These restrictions would limit operation to night hours.

Kneiss' office stated that granting of the franchise was still expected, but that it did not know how soon. The Oakland City Council meets regularly Tuesday noon and Thursday night.

Citizens' Group Urges Vote For Butler & Gordon

In a move to "keep party politics out of schools" the Contra Costa County Citizens Committee for Better Schools today urged voters to elect George Gordon and C. T. Butler as Trustee of Contra Costa Junior College.

County-wide elections are being held today for trustees for schools throughout the area, including the trusteeships of the junior college.

The Citizens' group endorsed Gordon and Butler over the signature of Committee Chairman Walter Y. Helms, superintendent emeritus of Richmond school, and following a "thorough study of candidate qualifications."

Gordon and Butler were cited by the committee as "able, experienced men of fine moral character and unimpechable integrity."

In emphasizing its move to keep politics out of the schools, the committee leveled a blast at another candidate (Editor's note: the candidiate is Bert Coffee, member of the Democratic Central Committee) described by the committe as "a professional politican connected with a Richmond political machine." They added in the report announcing support of Gordon and Butler that the Richmond politican "is now trying to bring politics into this election. We must keep politics out of our schools."

The Citizens' Committee added: "To keep our schools clean and to assure their growth and advancement, vote for George Gordon and C. T. Butler."

The committee's release pointed out that Gordon, an incumbent trustee, is an attorney practicing in Martinez. Butler is a chemical engineer in charge of the Hercules Powder Company's plant at Hercules. He has been a member of the Pinole-Hercules Union School Board for several years.

Orinda School Board Trustees Election Today

Voters of the Orinda School District will elect two local trustees today. Polling place is the Orinda School. Hours are 7 a. m. to 7 p. m.

Running for the two three-year posts are incumbents Catherine Schwark and Anthony R. Cianciarulo, whose current terms expire June 30, and Cecil E. Cantrill and A. M. Arighi.

Considerable interest has been displayed in the election, and a heavy vote is expected.

Also to be elected are two trustees of Acalanes High School District and two trustees for Contra Costa Junior College District. Only candidates for the high school district board are incumbents Carl Newbury and William B. Freeman. In the Junior College election there is a contest, with incumbents Bert Coffey and George Gordon vying with C. T. Butler and James V. Lipary.

County Agrees to Confer on Plans For Crossroads

Before the County Board of Supervisors takes any action on state Freeway plans for Orinda Crossroads, the board will confer with the Orinda Association - Orinda Chamber of Commerce joint road committee.

This was agreed to by the supervisors last week, following receipt of a letter from the association board asking such a conference.

Deputy County Clerk Mary A. Smith was instructed to write the Orinda Association that, upon receipt of State Division of Highways plans, the board will notify the association and meet with the joint committee.

The committee is headed by Everett Howe, and includes Ramsay Underwood, chamber president, and Nathan Gray.

Clover Leaf Design To Be Submitted To Supervisors

In "a matter of weeks" the State Division of Highways plans for the Orinda Crossroads project in the Tunuel-to-Pittsburg Freeway will be submitted to the Contra Costa County Board of Supervisors.

This was stated this week by L. A. Weymouth, District IV Engineer for the Highways Division.

"Several weeks ago I though we'd be ready to submit the plans in a month. Now it looks as though it may be another month. It's only a matter of weeks," Weymouth said. "The plans are almost complete."

A modified clover-leaf approach, with grade separations, and with the freeway route affecting the northerly side of the present state highway, are what's in store for the Crossroads area, the state engineer had previously stated.

Weymouth was asked about a recent report in the Oakland Tribune that, because of various steps planned for the freeway project, such as Lafayette By-Pass, Walnut Creek By-Pass and others, it may be "at least three years before the Orinda Crossroads bottleneck can be eliminated."

"CONSTRUCTION WILL start as soon as funds are available," Weymouth replied. "The earliest possible date for start of construction is 1953. Even so, it's true that it may be a few years before the entire freeway project is completed in the area and brings effective relief to the Crossroads area."

Weymouth explained that the State Highway Commission will set its 1953-54 budget next fall, and that the budget is subject to confirmation by the State Legislature next spring.

ORDER OF WORK for this area is planned as (1) Orinda Crossroads, (2) Lafayette By-Pass and (3) Walnut Creek By-Pass. The Crossroads job is estimated at some $1,500,000; the Lafayette By-Pass (from Sunset Village to Acalanes Junction, north of Mt. Diablo Boulevard), approximately $3,000,000, and the Walnut Creek By-Pass, some $11,000,000.

Plans for Acalanes Junction (Pleasant Hill Road and Mt. Diablo Boulevard) are for a grade separation and interchange system, Weymouth said. However, these plans "are far behind the Crossroads plans" in their status, he added.

TEMPORARY RELIEF measures, pending freeway work, will be effected this summer by construction of left turnout lanes at Upper Happy Valley Road and Acalanes Road, the state engineer stated. A left turnout at Charles Hill Road has already been built.

"Plans for the Upper Happy Valley Road and Acalanes Road turnouts have been completed and are at State Highway Commission headquarters in Sacramento," Weymouth reported. "It's possible the money for those projects will be allocated this month. Funds for such jobs are not part of the regular annual commission budget, but are taken from sums for necessary work which can be done on a short-range basis.

"After the money is allocated, we can advertise for bids. Construction should be accomplished this summer."

RECENT CLOSING of two lanes of the Tunnel during off-peak hours was rescribed by Weymouth as due to cleaning of the Tunnel.

Assistant District Engineer Ralph D. Kinsey, in charge of maintenance, said that closing of the outer eastbound lane on Mt. Diablo Boulevard west of the Tunnel, has been due to start of a drainage operation at the locale of last winter's slides about a half-mile west of the Tunnel. However, two lanes of traffic are to be shifted away from the base of the slide area, so that traffic will flow freely during the long process.

General method of drainage will flow freely during the long process.

General method of drainage will be similar to that used for several months following the major slide three-quarters of a mile west of the Crossroads in December, 1950. Numerous perforated drain pipes are installed in the hillside to drain off water.

Extend Contract For Sewer Work

A 90-day extension of Charles Burch's contract for sewer installation work in Local Improvement Districts 22 and 23 of Orinda, Sleepy Hollow and Lake Cascade areas has been granted by Central Contra Costa Santiary District directors.

Director William Malott voted against the extension.

Gerry A. Horstkotte Jr., new district engineer, was named sewer inspector and also purchasing agent.

Horstkotte was given authorization to place an advance order for concrete coated steel pipe to be used in replacement of a portion of the Orinda pressure line which was damaged by a slide during the winter. The order for pipe was authorized to prevent an expected two-months' delay in delivery after the contract is let to bid, thereby running into more wet weather conditions next winter.

The board approved action to put a six months' time limit on use of permits taken out by sewer work applicants.

Sleepy Hollow Road Job Given Gallagher, Burk

Reconstruction of Orinda roads is very much on the agenda of the County Board of Supervisors these days.

Last week, the firm of Gallagher and Burk of Oakland, on its low bid of $27,837.40, was awarded the contract for reconstruction of portions of Lombardy Lane, Tarry Lane and Sleepy Hollow Lane, all in the Sleepy Hollow section. The company was one of four bidders.

At 3 p.m. next Tuesday sealed bids will be opened by the supervisors for reconstruction of 9275 lineal feet including the following roads:

Glorietta Court, Orchard Road, Valley View Drive, Woodland Road, Don Gabriel Way, El Camino Moraga and Altamount Drive.

A Horse – Gals With Guns – and Orinda Roundup!

You drove down Miner Road in Orinda on a Sunday recently on your way to the Club for some golf, and in a field you saw a horse, chewing grass.

But not an ordinary horse.

THIS horse was wearing faded blue jeans on his two front legs, and a cowboy hat, and a jacket with some words written on it — but the sight was so stupefying that the words didn't quite penetrate your whirling brain.

So you arrived at the Club feeling the need of some strong, black coffee; you walked into the lobby — and were confronted by nine young ladies wearing — guess what — faded blue jeans, cowboy hats, and singing a song to the tune of "Roundup Time in Texas," but with words that went like this:

"When its Roundup Time In Orinda, and the bloom is on the oak, How you'll love it in Orinda with the happy country folk! There'll be eatin', dancin', playin', on June seven and June eight; fun for everyone under neath the sun — Come and join us? It's a date!

"When its Roundup Time in Orinda, that's the time for you to be; On your way out to St. Mary's for the two-day jubilee! Oh we wager and we reckon there'll be nothing quite so fine As those days in June — and they're coming soon — ORINDA ROUNDUP TIME!"

You listened, and you looked — straight into the business end of nine shotguns — and you wrote, very carefully, in your little black book: "Orinda Roundup — June 7 - 8. St. Mary's College — I'll be there!"

(Editor's Note: This really happened. The horse's name is 'Jimmy,' and you can see him in all his finery in the field next to Santa Maria Church. The girls? Janet and Liz Jansse, LaVerne and Lorraine Durante, Cathie Greub, Nancy Carroll, Pat Kiernan, Marilyn Kittredge and Marge Blankenship. Youll be seeing and hearing them on radio and television, singing the same "Roundup" song that entertained early breakfast groups at Orinda Country Club that Sunday morning.)

Happy Ending for Moraga Via Trail

That long, long 15-year trail of Moraga Via finally reached the goal desired for it by Glorietta area residents when the road was accepted as a county road by the Board of Supervisors Tuesday.

Acceptance of the road, on recommendation of County Road Commissioner Victor Sauer, meant that Moraga Via had at last been brought up to county standards.

Moraga Via was suddenly propelled into the limelight several months ago when George L. Courtney of 25 Woodcrest Drive appeared before the Civic Affairs Committee of the Orinda Association and plaintively asked what had happened to a bond posted with the county back in 1937 by the Moraga Company, guaranteeing early improvements on certain Glorietta-area roads, including Moraga Via.

SOMEHOW, THOUGH, Moraga Via remained outside the county system, the road fell into disrepair and the bond became a mystery, Courtney said.

Supervisor Jack Cummings checked into the situation and discovered that the bond was intact, and the county asked the Moraga Company to arrange for improvement of the road.

Moraga Via is in Moraga Glorietta Unit 1.

ALSO ACCEPTED into the county system was that portion of Barbara Road in Oak Springs Unit 1 eastward from the Spring Road intersection for a distance of 900 feet.

Gallagher and Burk of Oakland was awarded the contract for reconstruction and construction of portions of North Lane and Loma Vista Drive, for a total length of 4000 feet. Lowest of the three bidders, Gallagher and Burk's bid was for $17,053.68.

The work on North Lane is to be from Orinda Highway to Ardilla Road. On Loma Vista, the job is from El Toyonal to the intersection of La Madronal and El Toyonal.

Fred King Leaves For Engineer Job In Oroya, Peru

Fred King of 59 El Toyonal left Orinda Sunday and flew to Oroya, Peru, where, as assistant engineer and superintendent of construction, he will work for the Cerra De Pasco Corporation, a large copper, gold and silver mining company which is currently on an enlarging program.

His wife Miriam and sons David, 7, and Paul, 10, will follow him in mid-July. Mrs. King once before left the United States to accompany her husband to the mines in the Philippines.

In Oroya the Kings will have a comfortable company - furnished house, the help of two servants and the opportunity for new friends in a community of 325 homes of other company employees. They will have their car, and one of the drives they are looking forward to is an ascent to 12,000 feet and over the Andes to the headwaters of the Amazon, all over a good highway!

500 Youngsters Romp at Rotary's Big Field Day

Nearly 500 youngsters jumped, ran, tossed and otherwise exerted themselves at Orinda School grounds as they participated in the Orinda Rotary Club's Second Annual Field Day for school children last Saturday.

Under the efficient scheduling by Frank Isola, physical education instructor at Orinda and Glorietta Schools, the boys and girls from fourth through eighth grade clicked through the many events in rapid-fire fashion. Beaming approval were Joseph L. Sheaff, Rotary president and Orinda superintendent of schools, and Leighton MacGregor, Rotary president-elect.

A refreshment booth staffed by the Orinda Mothers Club proved a popular spot.

Top-point winners, whose names will be placed on a permanent bronze plaque at Orinda School, were fourth grader Susan Schwatka for the girls and eighth grader Bill Davis for the boys.

Tied for second place top honors for the girls were Janet Lee, Georgianne Watkins and Donna Tunnicliff, while Larry Pilcher and Peter Olsen shared that spot in the boys' competition.

Marjorie Smith was third place point-winner for girls, and George Cary placed third in points scored by boys.

Of a total enrollment of 538 in fourth through eighth grades at the two schools, 490 took part — a 91 per cent turnout.

(Complete list of winners will appear in next week's SUN.)

Joint Scout Fund Drive Scheduled

Sixth annual Diablo Area Scout Fund Drive has been scheduled for September 26 through October 6 by the Joint Boy and Girl Scout coordinating committee.

This committee has been named by the two organizations, Meridian District of the Mt. The coordinating committee consists of J. Morris Browning, Lafayette; Dr. Ralph C. Hall, Orinda, and C. R. Graff, Walnut Creek, representing the Boy Scout Council, and Mrs. George N. Jensen, Lafayette, John F. Laverty, Walnut Creek, and John W. Fry, Lafayette, representing Girl Scouts.

No Snafu for Mothers Day!

Never underestimate the power of women, especially on Mothers' Day! On May 6 orders went out that all except military transportation was cancelled indefinitely at Camp Stoneman because of the oil strike and the order to conserve gasoline at all levels.

The order resulted in a shutdown of all large scale mobile Red Cross activities. Along with others, they were forced to cancel trips to a San Francisco play, certain athletic programs, etc., but when it came to "Operation Houseparty" scheduled in Orinda and on Mothers' Day at that, even official red tape was cut to allow the patients from Camp Stoneman Hospital to enjoy a day away from the hospital and with a substitute "Mom."

The hostess who achieved the distinction of having 25 service men, as well as 12 Mills College girls (including her own niece) as adopted "children" for the day was Mrs. F. J. Federighi, who opened her heart and home to the group for another memorable day for the boys who either are about to go overseas, or are returning veterans.

Plans for this Sunday's "Operation Houseparty" are being held in abeyance pending developments in the oil situation. Belief was expressed that local residents would offer to form a ride pool in the event that matters were not settled to allow the Army to deliver the boys by bus as usual when the Clippers, a group affiliated with Orinda Community Church, is host to the group on May 25.

Sleepy Hollowans Back Road Bonds

Meeting at Orinda Grammar School, the membership of the Sleepy Hollow Improvement Association unanimously endorsed the $10,250,000 county road bonds proposal last week.

Action of the 80 residents present followed talks on the bond issue by Supervisor Jack Cummings and County Road Commissioner Victor Sauer.

Immediate county plans for road work in Sleepy Hollow were also discussed by Cummings, who told of the contract awarded to Gallagher and Burk of Oakland for this purpose. Repaving of Sleepy Hollow Loop and of Lombardy Lane as far as Van Tassel are included in these projects, which are expectedt to get under way by next week.

Other plans, also in the contemplated county program aside from the bond issue, include resurfacing Miner Road from Orinda Highway to the intersection of Miner Road and Lombardy Lane; Camino Sobrante and La Espiral.

Sauer said that future road work would be of better quality than in the past, thus, in the long run, saving money for the taxpayers.

The meeting, held May 7, was conductetd by President William Witter.

Chamber Seeking State Speaker on Crossroads Plan

Discussion at the Orinda Chamber of Commerce meeting yesterday at Casa Orinda centered around possible plans for the installation dinner for new officers. No date has been set for the dinner, as it is planned to have a state highway official speak to the chamber at that time on the state's plans for the Crossroads portion of the new freeway.

Officials of the highway department have so far declined to speak, as the plans are not quite complete. However, they are expected to be ready in a few weeks.

The chamber officially endorsed Frank N. Sparks, field representative for the Salvation Army, for the organization's current campaign in Orinda.

Next meeting of the chamber will be held June 5, when their new president, Walt Friberg, will preside.

County Jewish Community Club Elects Officers

Meet-Candidates Night on Tuesday

"Money is precious. A vote is priceless. You spend money carefully — how do you spend your vote?

"Come meet your candidates next Tuesday night at 8 at Orinda Grammar School!"

With these words, Orinda Chapter of Young Republicans urges all Orinda residents to "shop before spending" by actually meeting and hearing the qualifications of men competing to represent them in government.

Candidates scheduled to appear, according to Duane Neuenschwander, organization president, include John Baldwin, Carl Ferrell and Leo Armstrong, for Congress; Daryl Hutchens for State Senate and Don Doyle, King Parker, Joe Meyer, O J. Wohlgemuth and John Nejedly for Assembly.

The short speeches will be followed by a question and answer period, and climaxed by a reception during which candidates will personally greet those in attendance, it was announced by John Hull, program chairman. Admission is free.

Their leader, Mrs. Evans, and assistant leaders, Mrs. Hauter and Mrs. Erickson, and also Mrs. Cannon accompanied the girls.

Members of the club include Mr. and Mrs. John Harrison, Mr. and Mrs. Walter Johnson, John Hull, Mr. and Mrs. J. Arnett and Mr. and Mrs. Bentley.

About our happy Country Folks

By EDITH BOLMAN

WHAT IS IT THAT ORINDA has that Guaymas doesn't? Fish! Awhile back when we were having some balmy weather Fred Von Guenthner and friends flew to the Mexican resort to entice a few marlin. The weather was so horrible that they couldn't even get into the boat they had chartered, so after a few days they gave up and came home.

Subsequent note: The young Von G.'s were seen shortly thereafter hauling in perch from our own Cascade Lake — holding up the honor of the family, no doubt.

LOCAL DOCTORS who trundled off to Los Angeles recently for the State Medical convention: Drs. and Mesdames Charles Baker, John Bartlett and Bruce Anderson and Dr. Wayne Caygill. Dr. Baker gave a joint paper at one of the sessions with a doctor from Philadelphia and one from Chicago, but inasmuch as they weren't from Orinda we wouldn't even write down their names — provincial, aren't we?

The Baker family had a busy time of it awhile back. They were getting ready for the Camellia Ball at Orinda — the annual soiree given so that the members of the auxiliary of the Alameda-Contra Cost County Medical Society can occasionlly kick up their heels (we asked a friend what a soiree was once and she said "any formal gathering for which you have to rent potted palms") well, anyway, they were putting on their evening clothes, getting dinner for the kids, and running around in circles generally when Suzy Baker (genus Boxer) with fascinating disregard for the harried hub-hub presented the family with seven excellent pups.

Mr. and Mrs. Milton Selby have just returned from New York, where they were fortunate enough to see "The King and I," "Call Me Madam," "Top Banana," and "Mrs. McTthing. When you consider that list of titles, it really does make you wonder what we are coming to. They came back in time to corral all the family for a 25th wedding anniversary celebration.

THE YOUNG REPUBLICANS and friends — 150 strong — gathered at the home of Mrs. Woodbury de Laveaga on Saturday evening for cocktails and chatter and a sort of "We would like to have you know us better" idea. Co-hostesses were Mrs. Frances Neuenschwander, Ronald Light and Dene Arnaut. Also on hand were local candidates Joseph Creighton (Central Committee) George Hauerken and Don Doyle (Assembly).

Tea Party Time in Orinda. On Saturday last, mothers and daughters of the teen-age group who are friends of Mrs. Paul Demeter and her daughter Carolyn foregathered for punch and petit-fours in the charming Demeter home. Right Springy, too, with organdy dresses, picture hats and the feeling that this was a real country pretty-weather party — Just lucky for them they didn't plan the party for Wednesday of last week, when it poured, stormed and blew.

Another tea party — this time in Hidden Valley at the home of Mrs. Robert Goodale. About 50 friends dropped in and Mrs. Fred Von Guenthner and Mrs. John Loop poured.

Baby shower for Mrs. Ned de Laveaga. Mesdames Jack Watson, Jack Carlson and Fred Von Guenthner decorated Mrs. Watson's home with pink roses and a stork and invited friends with baby gifts to eat and have fun.

The Ron Schachts are home after two heavenly trips. However, they have come down to earth now and are doing gardening and porch painting. First trip to Honolulu they almost didn't negotiate. You know how you always remind your husband about the theater tickets and ask him if he has the key to the front door — well, in this case Mr. Schacht was asked after they had started. In fact, they were almost as far as the tunnel when they realized that one necessary suitcase was still at home. Quick — to turn around and get it. Humph, just try to find a place in that area to turn around.

Well, they finally made it, dashed home, called the airport to suggest that they hold the plane — answer from plane to effect that they would do the best they could — but really! — so scamper, scamper back to the Tunnel road and 45 minutes to go. They made it — broke no rules, either — just got the breaks on the signals so they crawled into the plane and collapsed.

After they arrived in Honolulu, the weather was so blowy that they couldn't enjoy the beach so they sight-saw instead. While viewing the Pali the gusts were so strong that a jeep ahead of them was turned over. Being strong minded spirits they were determined to get out and take a look anyway, and it took the two of them to pust the door open against the wind so they could get out.

Food, too. Suki Yaki, Tempura and sundry other dishes we can't spell, pronounce or remember.

Then they came home, repacked their bags and headed for Los Angeles and Palm Springs, where they were so impressed with the Biltmore and the Shadow Mountain Club that they came home and painted the back porch.

Mothers Club To Elect on Tuesday

Final regular meeting of the Orinda Mothers Club will be held at 1:30 p. m. Tuesday in the auditorium of the Orinda Grammar School, according to Mrs. Robert Bigler, president.

New officers will be elected, after a report of the nominating committee. Members of the nominating committee are Arlene Coburn, chairman; Carole Harrison, Isabell Coates, Lilyan Mika and Helen Brown.

Following reports on the success of "Absurdia in Suburbia III" and other business matters, the new officers will be installed by Mrs. Bigler. Officers to be elected include president, vice-president, recording secretary, corresponding secretary and treasurer.

If time pemits, colored slides of Mexico and Panama will be shown by Mrs. Donald Krotz, taken on a trip she made last summer. Slides of Guatemala were shown by Mrs. Krotz at a previous club meeting.

Refreshments will be served at the close of the meeting by a committee of room mothers of Audrey Docterman's third grade class of the Orinda School, with Mrs. A. K. Harmon in charge.

A book award will be given to the class having the most mothers present. Child care will be available at the nursery unit of the Community Church and Room 12 at the Glorietta School.

Plans will be announced for the spring bonnet tea to be held the last week of May at the home of Mrs. George Miller on Las Cascadas.

Pack 211 Watches Indians Dance At Family Night

Bernard Wilbur has taken over the duties of Paul Douglas, who is moving from Orinda, as cubmaster of Pack 211. Assistant Cubmaster Frank Newman took charge of the meeting and family dinner held last Friday evening.

Acoma Indians from New Mexico, now at Richmond reservation and employed by Southern Pacific Railroad Company, put on a special program.

Chief Lawrence Yellow Horn introduced the dances and explained that religious dances are not allowed to be performed before anyone other than their own people or away from their home reservation.

Three small boys, Michael White Bear, Winfred Flying Arrow and Gilbert Young Oak, performed the hoop dance, the most difficult dance of the Pueblo Indians. The boys were accompanied by drums and singing by Chief Yellow Horn, Harry Eagle Feather and George Blue Sky. They also did the feather dance, a pleasure dance performed throughout the year.

Three new bobcats, Billy Caldwell, Jim Toomey and Carl Swanson, entered the pack. Awarded were given to Stephen Gaylord, bear; John Guerin, bear; Mike Guerin, bear; Dick Stark, bear; Kirk Long, bear; John Mack, gold arrow on wolf; Michaeal Wilber, silver arrow on wolf and gold arrow on bear; Brad Olsen, silver arrow on bear; Charles Blue and Bob Merriam, gold arrow on lion; Peter Telfer, silver arrow on lion; Mark Gathings, Dennis Spittler and Peter Telfer, Webelos.

Services Started By Youth Group

The Pilgrim Fellowship of Orinda Community Church has started a series of services during May under the guidance of Mrs. Mary Gray, a Stanford graduate now studying at the Pacific School of Religion for her doctor's degree in the field of Archeology and World Religions. Her course for the P. F. is "Living Religions of the World."

First of several field trips planned to religious centers in the Bay Area will be on Sunday to San Jose, to visit the Resecrucian International headquarters. With the group leaving the Community Church at noon and returning in time for their regular Sunday evening service will be Ray Fowler and Mr. and Mrs. Ed Turk.

Visit Mrs. Brown

For their annual get-together to celebrate their spring birthdays and, this year, Mothers' Day, 13 relatives, including four children, visited Mrs. G. Chester Brown last Sunday, coming from Sacramento, Sebastopol, Niles and Oakland. All enjoyed the turkey dinner and visiting in the garden afterward.

Monodrama Program Next Friday Night

Authentic, exciting scenes from the life of Jessie Benton Fremont, wife of the heroic explorer of the uncharted West, will be presented by Mrs. Edgar Whealen, distinguished Bay Area dramatic artist and concert pianist, in her monodrama, "The Senator's Daughter," next Friday evening, May 23, at 8 in the Orinda Grammar School auditorium.

Mrs. Whealan's portrayal of the high-spirited, brilliant child of Tom Benton, indomitable senator from Missouri through seven presidential administrations, is based on four years of literary research and travel over the same territory known so well by the resourceful pioneer womon during hed marriage to General Fremont.

IN LINE WITH the present nationwide emphasis on knowledge of American history as a defense against destructive influences, the Women's Auxiliary of St. Stephen's Episcopal church in Orinda is proud to offer this unusual dramatic and musical presentation as a benefit performance.

General chairman for the event is Mrs. William Maddock, with Mrs. Charles Gibbs and Mrs. Kenneth Renwick in charge of properties.

REFRESHMENTS will be served after the drama by Mrs. M. E. Spaght, newly-elected hospitality chairman, assisted by Mesdames Arthur B. Johnson, Lloyd Harris, A. R. Snoble, John Bartlett, Harold Doane and Eugene Pillsbury. Girls of the Young People's Fellowship will aid as usherettes.

Reception committee will consists of Mr. and Mrs. Thomas N. St. Hill, Mr. and Mrs. Walter E. Christie and Mr. and Mrs. William Shipley.

Ticket captains have been requested to turn in their reports to Mrs. Kenneth Detling of 5 Sally Ann Road, or phone her at Orinda 2643, by this Sunday. Mrs. Detling has been assisted by Mrs. Thomas Reese, Mrs. R. A. Fayram, Mrs. James A. Brown and Mrs. William C. Hagens.

Music, Talk on Cronin Highlight Guild Meeting

The General Guild or Orinda Community Church met May 6 in Fellowship Hall for luncheon dessert, a program and a business meeting.

The program was opened by an inspirational devotional talk by Mrs. Fred Twining on the subject of "Prayer, When, How and Where." Among the points she brought out was that prayer is a key everyone may carry to unlock the resources within one.

The musical program was rendered by the two talented Orinda musicians, Mrs. Stanley Hudd, cellist, and Mrs. T. J. Fahay, pianist, who together played "Reverie" by Debussy, "Spanish Dance" by Granados, and "La Espanola," by Chiara. Mrs. Fahay captivated her audience with a piano solo "Golliwog's Cake Walk" by Debussy.

Guest speaker was Mrs. McClure Anderson, wife of the president of the Pacific School of Religion, who told the story of Cronin's "Adventure in Two Worlds." She told of the author's life as a medical student, his early disappointments and his later successes as a physician in Glasgow and in South Wales mining districts and in London, and finally of his becoming a famous author.

In the business meeting presided over by the Guild president, Mrs. Ralph Phelps, heartening reports were heard from officers and section chairmen.

At Jamison Home

A reception was held recently at the home of Mr. and Mrs. Henry Jamison of 61 Camino Del Diablo, following the wedding of Betty Jean Beyer of Livermore and Thomas Edward Beaudet of Palo Alto at Santa Maria Church.

When you pay your telephone bill, about 28 cents of each dollar goes for taxes.

How much tax in your telephone bill?

When you pay your telephone bill each month, an important part of your money is passed on in taxes to the Federal Government and to ...te, county and city governments. Naturally, we expect to contribute our fair share of the cost of government... but because taxes now account for such a large portion of the cost of service, we feel we should report about them to you who, as telephone customers, have to pay them.

Your telephone is taxed in two ways: One, through the operating taxes we pay to run the business—income taxes, property taxes and the like. In 1951 these came to $81 million for Pacific Telephone, an all-time high. Two, by Federal excise levies you pay on local and long distance service. Last year we collected more than $70 million in excise taxes from our customers and turned it over to the Bureau of Internal Revenue.

To give you some idea of the size of our tax bill, it is estimated that the total excise and operating taxes we paid in 1951... $152 million... could have supported all the 131 schools of higher education in California. In terms of the average telephone, this is $35 per telephone per year ...$2.92 per month. Twenty years ago the average was 53 cents a month.

Your telephone is one of today's best bargains

In spite of sharp increases in taxes, wages, materials and other costs of providing service, we've been able to hold down the prices you pay for service... hold them so low, in fact, that the telephone today is one of the best buys in any budget.

Gas and electricity are cheap in California!

Picturesque fishing fleets ride at anchor in the harbor at historical Monterey

P. G. and E. home rates are far below U. S. average!

The cost of living has nearly doubled since 1940, but P. G. and E. domestic rates are actually lower than they were then! Nothing else you buy costs so little—does so much. Let P. G. and E.'s bargain gas and electricity do more of your work, bring you more of life's comforts.

Take MONTEREY for example:

Typical residential gas and electric bill

In Monterey $9.19

In all U.S. cities of similar size* . . $14.15

*Average for the 24 U.S. cities outside California between 16,000 and 16,500 population. Based on a typical use of 100 kilowatt hours and 100 therms of gas per month.

Rites Dedicate Enlarged Organ

In a special occasion appropriate to Mother's Day, the Orinda Community Church last Sunday dedicated its enlarged memorial organ and Deagan chimes to two mothers, one deceased and the other living and active in the church. Both dedications were made anonymously in deference to the wishes of the donors.

The dedicatory organ solo was Beethoven's "Moonlight Sonata," played by Daniel Popovich. Other numbers displaying the voice and volume of the instrument were "Variation" by Cesar Franck, and two Bach classics, "Fantasie in G" and "Jesu, Joy of Man's Desiring." Selections from Mendelssohn's oratorio "Elijah" were sung by choir members under the direction of Margaret Popovich.

Organ improvements include addition of an oboe and an extension of the open diapason at the bass extreme. Members of the congregation say that the additions give more adequate volume and richer color in the services.

Illness Prevents Dr. Titus from Preaching Here

Members of St. Stephen's Episcopal Church in Orinda deeply regret the serious illness of Rev. Dr. Frank Titus in Syracuse, N. Y., which will prevent his being with the congregation Sunday. Dr. Titus has been ordered complete rest by his physician for at least six months.

The potluck supper, which was slated to take place after the Sunday services, has been canceled until a later, undesignated date. The Rev. Dr. Charles F. Whiston will officiate at the St. Stephen's services at 5 p.m., to be held at Orinda Community Church.

Final plans for the benefit performance of Mrs. Edgar Whealen next Friday night, May 23, were made by the executive board of the Women's Auxiliary. A special plea for Sunday school teachers was made, their duties to start now and continue in the fall after summer vacation. Those desiring to assist in religious instruction of the young people at St. Stephen's should contact Mrs. Walter Christie.

Arrangements were made to show the architectural plans and specifications for the new Episcopal Church building to be constructed in Orinda. Colored slides will display the designs to all interested members in the near future.

'Beside Bible' Theme of Service

A service devoted to hymns, on the general theme, "Beside the Bible," is scheduled for 11 a.m. at Orinda Community Church Sunday morning. Some of the stories of great hymns and hymn writers will serve as introductions to congregational singing, led by Margaret Popovich and the chapel choir with Daniel Popovich at the organ.

An anthem and other portions of the service will be sung by the choir. Rev. Fred R. Morrow, the minister, will be assisted in conduct of the worship by C. Ray Fowler.

A shorter service is provided at 9:30, simultaneously with the Sunday school, when parents and other adults may attend. For them, the discussions which have been attracting such interest since the beginning of the double session in January will continue.

The discussion this week is to be introduced by the Rev. Morrow, and will be on the subject, "The Bible: It's Authority." Mary Gray will speak at the high school youth meeting at 7 p.m. Sunday, giving the second of three talks on Christianity and other religions. Young people are invited to attend. Worship and a fellowship hour will follow the discussion.

Church Night to Feature Program On Guide Dogs

For the May Church Night to be held next Wednesday evening, at the Community Church in Orinda, a program featuring the famous blind-guide dogs project carried on in San Rafael will be presented, according to Stanley S. Hunn, chairman of the committee.

Singing, good fellowship and a brief worship service led by the minister, Rev. Fred Morrow, will also be features of the family evening to begin at 6:30 in the church's Fellowship Hall. Reservations are necessary in order to provide seating and other essentials for all who plan to attend, Hunn stated.

Mrs. Leon Carroll, DRake 6-4433, and Mrs. Alfred Johnson, Orinda 8363, are the representatives of Guild Section I who will assign the "potluck" dishes and receive reservations for families and guests.

Hoes, Shovels— Style Tomorrow!

William Penn Mott, Orinda Community Church trustee in charge of grounds development and upkeep, will supervise a grounds work-day tomorrow, devoted to further planting of trees and shrubs as well as cultivation of areas already planted.

Men of the church and congregation have been asked to bring garden tools such as shovels, hoes, mattocks and wheelbarrows, and to work any time during the day between 9 a.m. and 5 p.m.

"Our plan of grounds development has been prepared by the well known Berkeley firm of landscape architects, Litton and Whitney, and over a period of years we will change the church's acre and a quarter property into a most attractive hillside site," Mott said. He urged all men and older boys connected in any way with the church's activities to participate.

Mothers Honored By Girls' League

Acalanes mothers filled the Don gym to standing room only last week for the annual "Mothers Tea" sponsored by the Girls' League of Acalanes, directed by Lily Lahti, dean of girls.

Highlight was a student fashion show featuring fashions modeled and sewn by the girls of the Acalanes home economics classes directed by Mrs. Shirley Frazier and Helen Peterson.

The Don gym was decked out in a "country garden" theme. The fashion show featured apparel from clothing for casual living to formal evening dress and street wear. More than 100 girls displayed their handicraft.

Barbara Springston, Acalanes senior and previously announced winner of a state Elks awards, was named recipient of the Daughters of the American Revolution Award for 1952.

The tea is held each year to better acquaint mothers with the work done and learned by students in the school's home economics department.

Final Meet for Acalanes Parents Monday Evening

Acalanes parents will hold their last meeting of the 1951-52 school year next Monday, 8 p.m. in the Don cafeteria.

Officers elected at the last meeting during the April 28 "Open House" program will be installed. Those chosen to steer the helm for Acalanes parents next year are Fred Knobel, president; Mrs. Don Krotz, vice-president; Mrs. E. E. Roland, corresponding secretary; C. L. Aiman, treasurer, and Mrs. L. S. Barden, auditor.

Program for the evening will be provided by the Acalanes industrial arts department, headed by crafts instructor Elmo Heard and instructors Robert Thom, Stanley Block and Robert Stevens. Work of students in industrial arts will be shown.

Acalanes parents recently concluded a successful cake and pie sale to raise more than $400 for the parents' club scholarship fund. Announcements on scholarships to be given and other contributions to the school are expected at Monday's meeting.

All parents of Acalanes students are invited.

Lazarus Story Christian Science Sermon Subject

Verses from the account of Jesus' raising of Lazarus, as given in the eleventh chapter of John, will be included among the Bible citations to be read in the Christian Science Lesson-Sermon on Sunday, May 18.

"Jesus lifted up his eyes, and said, Father, I thank thee that thou hast heard me. And when he thus had spoken, he cried with a loud voice, Lazarus, come forth. And he that was dead came forth, bound hand and foot with graveclothes: and his face was bound about with a napkin. Jesus saith unto them, Loose him, and let him go" (11:41, 43, 44).

The following correlative passage from the Christian Science textbook "Science and Health" by Mary Baker Eddy, will also be read:

"If Jesus awakened Lazarus from the dream, illusion, of death, this proved that the Christ could improve on a false sense. Who dares to doubt this consummate test of the power and willingness of divine Mind to hold man forever intact in his perfect state, and to govern man's entire action?" (p. 493).

SUPPORTERS FOR PROPOSITION A, the $10,250,000 good roads bond measure on the June 3 ballot claim that slides such as the one pictured above on the Pleasant Hill Highway would be eliminated if the highway improvement measure is approved. Engineer Ralph Tudor, whose survey and recommendations were used as a basis for drafting the proposition, says the Pleasant Hill highway, with some reconstruction and partial re-aligning, would be a better highway than State Route 21. Under terms of the proposition, several other major county highways would be in line for reconstruction and two new highways would be built. They are: one crossing the hills from Crockett to Franklin Canyon, and another extending from Oak Grove School to Kirker Pass.

Letters to the Editor

Dear Editor:

Congratulations to J. R. Montgomery for his able and newsy letter published in your issue of March 28 relating to Sanitary District bureaucracy.

One of the reasons I was intrigued by same: Using the vennacular of the man in the street, "Them's my sentiments precisely."

Unfortunately, the majority of the voters who take the trouble to vote are hoodwinked by the blandishments and claims of many of the persons seeking any kind of public office that they seek to serve the public interest, etc,, etc.. when in reality many are merely seeking a means of inflating their own little ego, to be followed up with the desire to get at the pocket of the already overburdened taxpayer. Unfortunately, rackets are not run exclusively by gangsters and racketeers.

Voters: Stop, look and think.

W. E. HUGHES,
Lafayette

Dear Editor:

May I take this opportunity on behalf of the Mt. Diablo Chapter, American Red Cross, and its over 300 fund drive volunteer workers to thank you for the splendid and effective coverage you provided in the 1952 Fund Drive.

Each and every one of us recognizes the tremendous strength and support your newspaper afforded us. We know full well your efforts and interest are immeasurably responsible for the outstanding achievement of collecting over 128 per cent of our quota.

I know I speak not only for the Chapter but for all those many persons who will be serviced by Red Cross with the funds collected, when I say "Thank you" for your publicity so generously and effectively presented.

Yours very truly,

EDMUND S. BARNETT,
1952 Fund Drive Chairman

One of the best things to use in brushing the crumbs out of a toaster and which will not damage the fine filaments, is the tail feathers of a rooster. Be sure, however that the feathers have been detached from the rooster or you might have some difficulty.

This is possibly the only decent thing I've ever heard about a rooster that was good, except of course, the very important role he plays in production of baby chicks, without which we wouldn't have the egg part of bacon and eggs in the morning. In this case, it's too bad the old boy has to be departed before his tail can be put to some other useful job.

Resumption of Bus Service Set for First of Next Week

Resumption of commuter bus service to Contra Costa County was expected not later than Monday as striking drivers continued to mail in ratification forms supporting an agreement reached last Sunday between negotiators for Pacific Greyhound Lines and union representatives.

The settlement, reached last Sunday following a 16-hour session, affects more than 3,000 members of the AFL Motor Coach Employes Union who will return to work as soon as 51 per cent of the membership ratifies the pact reached by negotiators.

Deadline for ratification has been set at no later than May 19.

Meanwhile, company officials have ordered maintenance crews throughout the seven-state area affected by the strike to prepare equipment for renewal of operations.

End of the 10-weeks-old strike will draw a curtain over problems of transportation presented to more than 12,000 Bay Area commuters, many of them in Contra Costa County, who have become travel weary trying to get back and forth to work since the strike started March 2.

Only means of getting to jobs during the strike was through car pools, organized stations along Mt. Diablo Boulevard, and via the thumb.

M. C. Frailey, vice-president of Greyhound, said buses will "roll as soon as 51 per cent of the men ratify the agreement—first the commute buses, then the inter-city buses."

The joint negotiating committee for the AFL drivers recommended that members accept the agreement in the referendum which got underway Monday.

Terms of the newly adopted pact outlines means for grievance committees to handle future union-company disputes, and set date of expiration of the contract for September 30, 1954.

Under terms of the agreement, drivers will receive a 4.6 pay increase as soon as they return to work. In addition, the pact calls for a five-day week by no later than October, 1953.

More Slow-Signs Now Available

The signs say "SLOW—Children at Play"—but there's nothing slow about the way they've been moving.

Moving, that is, into the hands of individuals and neighborhood organizations from the three places where they are on sale at the cost price of $1.75 plus sales tax. The places are the Walnut Creek Sun office, 1409 Main Street, Walnut Creek, above Thompson Electric; the Lafayette and Orinda Sun office, 1000 Orchard Road, Lafayette, and the Orinda Pixie Shop in Orinda Village.

The first few batches have been quickly sold, but a new supply of the weatherproof signs—white lettering on red background—has arrived from the Frank E. Sellers Sign Company.

Because of the cost-price arrangement, there can be no billing or delivery.

Annual Shrine Circus

Many from this area are expected to join the throngs attending the 12th annual Aahmes Shrine-Polack Brothers Circus at the Oakland Auditorium Arena, starting next Wednesday and continuing through Sunday, May 25.

Performances will be given all 12 nights at 8:15, and there will be matinees at 2:15 both Saturdays, at 1 and 4 both Sundays and at 3 Monday, Wednesday, Thursday and Friday of the second week.

Manifold aerial and acrobatic troupes, with a wide variety of animal features, give this year's circus a "better than ever" promise.

'ORPHEUS' IS THE AMBITIOUS production to be given tonight at Acalanes High School auditorium by Don students. These members of the Modern Dance Group are shown in a scene of the legendary story. Sandy Humble (Euridice), at back left, and Barbara Springston (Orpheus), at back right, have the "lead" roles. Spring Festival Tonight – Dance, Chorus, Band . . .

"Musance," this year's Acalanes Spring Festival, will be presented tonight at 8 in the high school auditorium. The Don mixed chorus, band and the dance group will combine to form a pageant of music and dramatic dance.

Highlight of the program will be the recreation of the story Orpheus and Eurydice by the Dance Group. The pantomine tells of the tragedy of the musician Orpheus, who went down to the underworld to seek his wife, Eurydice, who had been imprisoned by Pluto. Although Orpheus struggles and pleads to save Eurydice, he fails to do so. The legend is one of the most famous tragedies ever written.

Music Department numbers feature the Beethoven "Eroica" Overture and music by Texidor. Chorus numbers will incudes a Vaughn Williams number and the Negro spiritual, "Dry Bones," done in conjunction with the Dance Group.

More than 150 students are involved in the program, which is under the direction of Millicent Hamburger and Richard Hansen. Special effects are provided by the stage crew, directed by Betsy Pembroke, and costumes are supervised by Margaret Nicholson.

Tickets for the performance are on sale at Acalanes. Prices are 50 cents for adults, 25 cents for student body.

Nancy Carlson To Be Soloist at Spring Concert

Nancy Carlson, Lafayette pianist and Acalanes High School student, will be the featured soloist at the spring concert to be held at the high school on June 5. The combined Acalanes Adult School Orchestra under Oscar Busch and the Martinez Adult School Orchestra under the direction of Alan Scholl, numbering about 65 players, will accompany Miss Carlson, who will play the First Movement of Tschaikowsky's b Minor Piano Concerto.

The orchestra will complete the program with classical number to be announced later.

The concert, which is given free to the public, will be repeated in Martinez at the Junior High School on the evening of June 10.

Commuters Review Busline Hearings; Hail Strike-End

Review of proceedings at the bus hearings before the Public Utilities Commission in San Francisco highlighted the regular monthly meeting of the Contra Costa County Commuters Association Tuesday evening at Acalanes High School.

Leigh Athearn of Mill Valley, prominent San Francisco attorney and delegate from the Federation of Marin County Commuter Clubs, was guest speaker for the evening. He told of the hearing which was recessed late last week, to be resumed on Wednesday of this week, at which time Timothy J. Manning was to continue with his proposal to take over commuter bus lines in Marin County.

The other application pending before the commission by the Bay Area Transit System, headed by Arthur Jenkins and Fred Hamilton Jr., proposes operation of commuter bus lines in Contra Costa, Marin and San Mateo Counties.

The combined Contra Costa and Marin County commuter associations, representing some 7000 persons who travel regularly to and from their jobs in the Bay Area, have joined forces before the Utilities Commission by engaging the services of Attorney Spurgeon Avakian to represent both groups. Their present stand as "interested parties" indicates neither support nor opposition to either of the proposals now being heard by the commission, until such time as the issues are more clearly defined.

Settlement of the Greyhound strike and scheduled resumption of commuter bus service commencing next Monday was welcomed by all concerned. Since the settlement is still subject to final ratification through individual balloting by members of the A. F. L. Motor Coach Employees Union, it will not be definitely known until some time tomorrow whether the rank and file membership has finally accepted it.

General terms of the settlement called for an immediate wage increase of 4.6 per cent, and a gradual conversion to the five-day week, part of which will be accomplished this October, with the straight five-day week becoming effective one year from that date. Greyhound spokesmen estimated that these changes would require the ultimate hiring of some 500 new drivers in the seven-state area affectel by the 10-week-old strike.

In answer to many who have inquired about the basis on which commute books will be sold for the partial month May 19 to 31, inclusive, the following figures were quoted by Greyhound Lines to John E. McKirahan, service committee chairman for the Contra Costa Commuters Association, who passes them on for the information of other commuters.

Between Orinda and San Francisco, $5.05 — Oakland $2.85.

Between Lafayette and San Francisco, $5.90 — Oakland, $2.85.

Between Walnut Creek and San Francisco, $6.55 — Oakland, $3.55.

Between Concord and San Francisco, $7.90 — Oakland, $4.85.

Tomorrow Noon Last Chance For Concert Tickets

A sellout of memberships in the Acalanes Community Concert Association is anticipated in the one-week campaign which closes tomorrow noon, Hester Hoffman, executive secretary for the association, has announced.

Artists in musical and dance fields are booked through Columbia Artists Service and are chosen at the completion of the drive when total funds available may be budgeted in order to guarantee payment of the artists. Only those artists who have established themselves through national tours or debuts at Carnegie Hall in New York are included on the list of available talents.

Renewals or new memberships may be purchased at the headquarters at Pacific Gas and Electric Company in Walnut Creek. A temporary telephone, W.C. 7995, has been installed there. Memberships remain $6 for adults and $3 for students. At least four concerts will be available.

Campaign Offices Opened by Doyle

Donald D. Doyle, candidate for the Assembly from the 10th District, announced this week that he has opened headquarters at 1534 Locust Street, Walnut Creek, with Willard S. Johnson, well known Walnut Creek businessman, as his area campaign chairman.

H. T. "Doc" Crandall is the Lafayette area chairman of the Doyle for Assembly Committee, with headquarters at 3439 Mt. Diablo Boulevard.

A headquarters will be opened in Orinda for Doyle by this weekend. Other headquarters have already been established in Brentwood and Antioch, with still other places shaping up for the other cities of the district within the next few days.

42,335 New Phone Books Mailed Throughout Contra Costa County

Evidence of the rapid population growth in Contra Costa County was pointed out this week with the initial mail delivery yesterday of 42,335 new, green-covered telephone directories throughout the area.

H. C. Greenhalgh, Walnut Creek manager for Pacific Telephone, in announcing the scheduled delivery, said the new directory showed an increase in alphabetical listings of 5,329. The new phone book now includes a total of 37,398 listings.

Greenhalgh said the number of new phone users since the first of the year increased 412 in Walnut Creek, while Orinda registered 154 new listings and Lafayette, 13.

The local telephone company manager said applications filed in his office for new telephones equal the number of new phone listings that have been added to the new directory. He said orders have been unfilled because of an equipment shortage.

Greenhalgh said more than 60 tons of paper, including three tons of cover paper alone, were used in the preparation of the 1952 edition of the Contra Costa County directories. The new directory contains 560 pages.

In emphasizing the increase of telephone users throughout the county, Greenhalgh pointed out that shortly before the turn of the century one telephone directory served all of California and contained several listings for Contra Costa County.

Telephone customers were urged by Greenhalgh to check old directories for any valuables or records which they may have placed between the pages before disposing of them.

Over 4000 Boys In Varied Events Of Scout Circus

Over 4000 Cub Scouts, Boy Scouts and Explorers of the Mt. Diablo Council, which includes the areas of Berkeley and Albany, and all of Contra Costa County, will participate in the 1952 Boy Scout Circus at the El Cerrito Athletic Field tonight and tomorrow night, starting at 7:45 each evening.

The circus will be presented in eight major events, consisting of the Prologue, the Grand Entry, the Cubbing Event, a colorful Flag Event, the Exploring Event, the Pioneering Event, the Camping Event and the Grand Finale.

Preceding the Prologue, the spectators will be entertained by the Hamilton Field Air Force Band; a crack drill team of Sea Scouts from the S. S. Albatross of Martinez will demonstrate on the field.

The Prologue, directed by Claude Samples, will be presented by tableaux, dipicting famous events in American history, which have led to freedom as we know and enjoy it today.

In the Grand Entry, directed by Gordon MacPherson, Cub Scouts, Boy Scouts and Explorers — 4000 strong, led by outstanding volunteer leaders of the Mt. Diablo Council—will pass in review, in a stirring rededication to Scouting ideals.

The Cubbing Event promises to be one of surprise and delight. Cub Scouts will "take over" the field for 10 whole minutes, some portraying clowns, animals and Indians; some Cub groups will show Cub games and demonstrate activity carried out in past monthly program themes. They will use costumes and equipment Mother and Dad helped make. Volney Benson is directing this part of the show.

Some of the highlights of the Exploring Event, put on by young men all 14 years and older, will be demonstrations in fire fighting, signaling, first aid, breeches buoy rescue, the new back-pressure, arm lift artificial respiration method — done in unison to waltz time! There will be much activity presented in a space of 15 minutes. This phase of the show is being directed by Phil Slater.

Following this activity, there will be presented on the field, a special presentation of the famous flags of early America, such as the Grand Union, Rattlesnake, Pine Tree and others. This event will include special dramatic lighting effects, a brief display of fireworks, and end in a grand array of massed American Flags. Directing this special part of the show is Paul B. Stone.

The "Pioneering Event," directed by Russell Archard, will demonstrate that the Pioneer spirit is still alive. Great towers, bridges and derricks will "grow out of the turf like magic." While these structures are taking shape, other Scouts will be demonstrating physical fitness skills, consisting of wall scaling, rope climbing and tumbling.

During the "Camping Event" a tented city will spring up from the turf in the midst of typical Scouting activity, including making fire by flint and steel, Scouting games, Indian dancing and an impressive campfire lighting ceremony. Bill Wirth is the director of this event.

All Cubs, Scouts and Explorers will participate in the dramatic and inspirational close of the show. The Finale will dramatize the importance of today's freedoms and will be highlighted by the use of black lighting and a giant eight-foot Liberty Bell replica. Mervin Bradley is director of this event.

The show is timed to the minute and is scheduled to close at 9:45. Over 130 troops and cub packs are scheduled to participate.

Tickets are available at the gate. The Berkeley Junior Chamber of Commerce is handling the Circus concessions.

GOP Candidates At May 28 Rally

At a meeting at the home of Mrs. Eugene Scofield Monday evening, representatives of the Republican clubs of Orinda, Lafayette and Walnut Creek collaborated on plans for a major rally to be held at Acalanes High School auritorium on Wednesday evening, May 28, at 7:30.

At this time all candidates on the Republican ticket will be presented by their followers, and will have an opportunity to express their views. For the first half-hour of the meeting they will be available individually for off-the-cuff discussion.

The rally will be conducted in convention style. A portion of the evening will be devoted to entertainment.

Summer Exhibits For Artists Market

The Outdoor Art Shows, Inc., announces that a series of exhibitions will be held at the Artists Market, 1045 Stuart Street, Lafayette, during the summer months, tentatively planned for opening the first Saturday of each month.

Meanwhile, the Market will be open to the public Thursday and Friday afternoons from noon until 4, under the direction of its chairman, Dorothy Moore Brown. Refreshments will be served by members of her committee.

The organization will hold a meeting of the exhibition committee of Outdoor Art Shows, Inc., on Tuesday evening at the home of Chairman Michael Czaja.

Industry, Labor Join in Backing Road Bond Issue

When representatives of industries first had discussed with them a proposed $10,250,000 bond issue to modernize county highways they did not even wait for any statement of what would occur tax-wise in this county.

"There was an immediate response of 'spend-it-at-home; don't-send-it-to-Washington declaration by a half dozen industrial representatives," Joseph L. Judson, chairman of the Contra Costa Citizens Highway Committee of 100, revealed this week.

"Industrial representatives recognize just as much as do other people that industrial Contra Costa pays 52 per cent of the tax bill," Judson declared. "But, none asked what it would do tax wise. They had just two views: We need the roads and spend-it-at-home."

The actuality is that the modernized highways will be secured at no more tax cost, road-wise, Judson declared, and with reasonable expectation there will even be a lesser property tax.

"Labor's response to requests for endorsement has been just as active as that of industry," Judson said. "The three big labor groups have not only given their top endorsements but they are all advocating it through their locals, making points of the facts that we get the needed roads without any extra cost, even with a saving, and that good roads for commuting workers with lessened car repair bills are a most important factor.

"None could ask a finer reception than representatives of the Committee of 100 have received from labor representatives and labor organizations."

The Contra Costa Safety Council, the Diablo Highway Improvement Federation and the Richmond Business and Professional Women's Club are among the latest organizations to endorse Proposition A, the road bonds measure on the June 3 ballot.

Writing the Citizens' Highway Committee, Ellen Anderson, secretary of the Safety Council, stated:

"It was the unanimous opinion of the executive committee that the Contra Costa Safety Council should endorse this bond. The roads of Contra Costa County are in a deplorable condition, and present hazards to the traveling public are comparable to isolated, undeveloped areas.

Future Appears Bright for Walnut Growers

A bright outlook for walnut growers has been forecast by W. C. Tesche, general manager of the California Walnut Growers Association.

The 1952 walnut harvest in California is expected to be "somewhere in between" the 1950 and 1951, which was 67,000 tons, second largest to the 1950 record crop.

Contra Costa Association membership's crop last season amounted to 6,787 tons.

Spokesmen said also the price outlook looks good, although it may follow the present downward trend in commodity prices to some extent.

Spotlighting the Strip

By KITTY COLE

Such lovely weather — Guess I'll make the rounds — Won't you join me?

MARGE AND PAT O'BRIEN'S latest innovation, organ music, for your afternoon enjoyment, is really catching on. That, and the beautiful pool, bordered by brightly-colored, umbrella-shaded tables, are only two of EL NIDO'S many outstanding features . . . Don't want to miss your favorite T.V. program? Then dine at **HAL'S**, where the tables are arranged with a television set as the focal point. HAL'S is famous for Chicken and Dumplings, but also serve other entrees.

PAUL'S VILLAGE in Richmond is still packing them in, due, in a great degree to Chef JULIAN'S (John's Rendezvous) fine food, and the scintillating rhythms of JIMMY RODGER'S Orchestra. Owners, JOE COCO and WILLIE REYES, are planning a new spot down the peninsula.

A whistle and a "Hi Baby" are a saucy Mynahs' way of welcoming you to DANNY VAN ALLEN'S. DANNY has spent many hours teaching the bird to talk, but it's well worth it. Quite a drawing-card.

RUSS BENNETT'S popular band-about-town played for dancers at PLANTERS DOCK, recently. May 9 in for a steady Friday-Saturday engagement . . . Luncheon in a cozy cabana — that's ACAPULCO'S newest idea. You'll enjoy fine food, in surroundings of unusual charm. FREDDY MOTTLE has gone to a great deal of trouble, not to mention expense, to make his spot the "talk of the strip."

At ORINDA WILLOWS recently were DATO NIK KAMIL, Prime Minister of Kelantan, Federation of Malaya, and Mr. NORMAN CLEAVELAND, President, Pacific Tin Consolidated Corp., only American tin-producing company in southwest Asia. They were the guests of GEORGE KEFFER, Vice-President of the Anglo Bank of Oakland . . .

JAY BEDSWORTH and MILT NELSON, just returned from the Culinary Convention in Chicago. May have brought back some new ideas.

SOMETHING TO SEE — DORITA'S pianastics at ACAPULCO . . . PEPE LANDERO'S intermission violinings at the WILLOWS . . . DANNY VAN ALLEN'S drumantics . . . EL NIDO'S BUDDY WEBBER, hopping from piano, to bass, to sax, to piano, etc. Plays them all.

This is your invitation to DANNY VAN ALLEN'S

Sectional Track Title Copped by Those Agile Dons

The Acalanes Dons came through with flying colors last Friday afternoon when they ran, vaulted, jumped, put and heaved their way to the North Coast Subsection Meet title. The meet was held at the Concord oval under the auspices of Mt. Diablo High School.

Gary Coad raced to a first in the 180-yard low hurdle event with a good time of :20.4.

Art Siler did himself proud when he took first in the shot put with a 48-foot, 9¾-inch toss and sailed the discus 133 feet, 1 inch.

IN BOTH EVENTS Eric Murray was in the number 2 spots, which aided the cause no ned.

In the high jump, Bill Powers topped 5 feet, 10 for fourth, and Bruce Morgan cleared 5 feet, 9 inches for fifth.

In the pole vault, Neil Caldwell soared 12 feet, 3 inches to win the event and with it the meet as the Dons gathered additional points with a fifth in the relay and with Denton Holmes fifth in the 880.

ALAMEDA HIGH was the closest contender. Acalanes scored 49 points, with Alameda posting 42, largely through the efforts of nationally famous Herbie Turner, who set new records of :09.6 in the 100 and toured the 220 in :20.9. Both these marks are tops in the nation for any prep this season.

The other scores showed Richmond with 32½, Pittsburg 31, Piedmont and Berkeley 21 each, El Cerrito 20½, Antioch 13½, Hayward 9-5/6, Liberty 4, San Ramon 1, California School for the Deaf 1 and Mt. Diablo 1/3.

Legion Baseball Nine Wins Twice

The Lafayette Legion nine registered two wins over the weekend when they copped a league win in county play over the Fly A Associated nine of Avon, 5-1, on Saturday and came back on Sunday to win 10-6 over the Concord Indians.

Each game was played on the losers' diamond.

"Red" Richard Jones threw a three-hitter against Avon and had things in control all the way.

John Conley, centerfielder, had three for five with the bat to lead the hitters.

In Sunday's game, Rick Johnson had a shaky start as he yielded four runs and three hits in the opening frame before settling down and going in fine style over the nine-inning route, striking out 18 in the process.

The Avon win gave the local Legion nine a tie in league play for the number 1 spot with Avon, who had defeated them 5-4 in the opening round of play.

Next league play is scheduled for tomorrow morning at 10 on the Acalanes diamond.

Clean Sweep for Don Racqueteers In Paper City

The Acalanes tennis team made its invasion of the Paper City a successful one last Friday afternoon when it won all six matches over Antioch.

Results were:

Don Rathjen defeated John Hunt 6-1, 6-0.

Phil Lowthian won over Dearil Brown 6-1, 9-7, while Ron Dallas was out in front of Damon Knight 6-1, 6-1 and Jim Todd won 6-3, 6-1, with Don Avila the victim.

In the doubles, Rathjen and Lowthian defeated Brown and Russell 6-4, 7-5, while Dallas and Browning took Hunt and Thomas 6-1, 10-8.

Acalanes Golfers Trim Diablo 18-0

The Acalanes golf team posted another conclusive win when they won going away 18-0 over a Diablo team last Friday afternoon at the Contra Costa Country Club.

Winners with their scores were: Raymond Orr copped medalist honors with an 84, Don Reid scored 89, Bob Wilkes 93, Peter Sheaff 96, Ben Coombs 102, Grant Allinger 108.

Spring Sports Season Nears Its End; Hail, Farewell to Senior Athletes!...

By ERWIN MATTSON

THE OLD SPRING SPORTS SEASON is drawing to an end, with swimming having tucked their suits away and with track an active sport only for those who qualified for the North Coast Meet to be held at Berkeley tomorrow. Those who come through will go to the State Meet in Los Angeles.

Neil Caldwell, the 12-foot-and-better pole vaulter has the best chance, with Eric Murray and Art Siler rating as shot putters who could make the grade.

Golf, baseball and tennis wind up their activities before the end of the month.

THE DONS have had a good season to date but, as always, there will be a bit of sad contemplation on the part of coaches as they check the lists and cross out the Seniors who soon leave via the graduation route.

The finest thing in coaching is the relationship between the athlete and coach. The coach comes to know the boy, his habits, his reactions and mannerisms. Each lad presents a different problem and a different method of handling and training.

To see a boy develop from a novice to a champion is one of the greatest thrills one can ever have. The best part is that every boy who does his best and makes the most of his abilities is a champ in the eyes of his coach.

It will be with regret and fond memories that the coaches say goodbye to the Seniors come graduation day. May the Seniors of next year do as well as those of '52!

ONE OF THE BEST scenes at the County Track Meet held at Concord recently was the actions of Coaches Charles Eaton and Bob Lord. Each was as nervous as a caged panther.

Coach Eaton was so far out in front of the opposition that it was no contest but the worry was still there. Coach Lord's charges commanded but a small and uncertain lead and at times it was a question if he would last.

Bob and his team lasted and all was smiles when the results were final.

Coach Eaton's charges copped the title for the third straight time and made it title number 4 our of the past five seasons.

Coach Lord's team was definite underdog, and its win was definitely in the upset class. Winner of but one dual meet during the season, it scored more points in the County Meet than it had all season.

THE WORRY OF THE coaches for their teams is a good sign as it indicates that they are both vitally interested in their jobs and not merely going through their paces with minimum effort.

COACH LEE ARTH of the swimmers had his bad moments, too, at the County Swim Meet.

One of them was when a backstroker, Mike White, hitting a lane rope in midstream, stopped, thinking that it was the end of the race.

At the time Make was well out in front, but as things turned out he ended up a dead last.

The coaches got together and agreed to enter him in the North Coast Meet, an affair in which only winners and place showers are ordinarily entered.

ONE OF THE SIGNS of the approaching end of school is the annual football signup, which was held recently and ended up with 102 on the tentative roster.

The entering Frosh should bring the grand total to around 125, which means a lot of gear to get ready, as each one wears at least six different items as well as separate game uniforms.

All of last year's gear has been cleaned and repaired, while the new additions will be ordered early in June.

A NEW LOCKER ROOM, complete with a drying area for gear, will greatly aid the dressing problem, which has been crowded, to put it mildly, over the past several seasons.

Another addition is the newly constructed announcing booth which sits atop the South Bleacher section.

It is a much needed improvement and will give the announcer a grandstand seat with good visibility, and will also cut out crowd noise from the microphone.

Panthers' Nine Beats Dons 3-2

The Acalanes Dons lost a nip-and-tuck baseball game to the Antioch Panthers on May 8 when they failed to hit in the clutch and as a result suffered a league loss 3-2. The game was played at Antioch.

Antioch scored in the first inning and added numbers 2 and 3 in the second and seventh with squeeze plays, with Al Circo scoring in both instances and Al Pico doing the bunting.

The Dons scored two in the sixth when Bob Dwight walked, John Champlin Singled and Bob Borghesani blasted a double to score them.

Kay Dana and Bob Borghesani led the hitters with two for three, while John Champlin had one for four.

Antioch had five hits off Bob Borghesani, who went the route and was charged with the loss.

Don Mermen Tie For 2nd Place In Section Meet

The Acalanes swimmers ended up in a tie for the number 2 position when they met up with Northern California's best in the University of California pool at Berkeley last Friday and Saturday.

The meet was the North Coast Sectional Meet and marked the end of the '52 season for the Don paddlers.

Brooks de Lanuex copped a third in the 100-yard breast stroke, while Dick Hubach placed second in the 200-yard freestyle event, with Jim Small in the number 5 spot.

THE DONS' TRIO, consisting of Brooks de Lanuex, Dick Hubach and Kim Wilkin, took ifrst in the 150-yard medley with a fast 1:28.4.

In the 200-yard free style race, Charles Ostrom, Bob Harrison and John Kistingo raced to a third.

Team points were distributed as follows:

Palo Alto 67, Acalanes 31, Hayward 31, Berkeley 30, Sequoia 21, Albany 12, Vallejo 10, San Mateo 9, Tamalpais 9, El Cerrito 4, Mt. Diablo 3 and Richmond 3.

IN THE BEE section of the meet, Acalanes' points-winners were John Spiegel with a third in the 50-yard freestyle, Mike White, Don Gray and Richard Knobel with a second in the 75-yard medley and Ray Traynor, Jim Small, Bob Kops and John Kistinger taking points with a fifth in the 100-yard freestyle relay.

Palo Alto won top honors with 47; Livermore had 21, as did Sequoia, while Tamalpais showed 18, Acalanes 16, San Mateo 15, Burlingame 14, Berkeley 14, Vallejo 14, Mt. Diablo 10, Drake 9, Monterey 4, Hayward 4, Carmel 3 and Willow Glen 3.

7-0 Tennis Loss Given Alhambra

The Acalanes tennis players had things all their own way Tuesday as they took every match to defeat Alhambra High's racquet wielders 7-0 in games played at the Martinez courts. The win kept the Dons undefeated in dual competition and well out in front in league play. Scores were:

Don Rathjen defeated Neil Keating 6-0, 6-1.

Phil Lowthian defeated Bill Nelson 6-3, 6-0.

Ron Dallas defeated Bob Zanussi 6-0, 6-0.

Jim Todd defeated Gary Jones 6-2, 6-1.

Chuck Gompertz defeated Lee Mitchell 6-3, 6-2.

In the doubles aRthjen and Lowthian defeated Keating and Jones 6-0, 6-0, while Ron Dallas and Jim Browning downed Zanussi and Mitchell 6-1, 6-1.

Don Babes Beat Pittsburg Nine

The Acalanes J. V. baseball team played steady ball against Pittsburg Wednesday and as a result combined five hits with four walks and an error to produce three runs, which proved more than enough to win, 8 to 0. The game was at Pittsburg.

The Acalanes pitcher gave up but two safeties and threw shut-out ball.

The Dons scored two runs in the second and added an insurance run in the sixth.

John Olcott started on the mound for the locals and gave up nary a bingle in the two frames he worked. Rick Johnson worked the next two, giving up one single, while Red Jones went the rest of the way yielding a single in the seventh.

Bart Ferro led the stickers with a single and double for three times at bat.

Acalanes Bitten By Bulldogs 3-1

The Acalanes Dons dropped a league game, 3-1, to Alhambra High's Bulldogs Tuesday afternoon on the Martinez diamond when the Bulldogs scored two in the second on three hits and an error and added number 3 in the sixth, when a hard-hit ball got away from Kay Dana in left field and went for a home run.

The Dons opened the game well enough when they scored in the opening frame as Dick Fey singled and romped home on John Champlin's single.

But Ben Strickland of Alhambra twirled effective shut-out ball the rest of the way, assisted by some good defensive play on the part of his fielders.

Bob Westlund was the losing thrower, with Alhambra gathering six hits to the Dons' five.

The loss puts the Dons in the number 2 spot in league standings, with Crockett on top due to a 4-3 win over the Pitt Pirates.

Don Teams Tackle Toughies Next Week as Season Ends

Today the Don Varsity baseball nine crosses bats with the Pittsburg Pirates on the Acalanes diamond. It will be a do-or-die effort for the Dons, who must win the rest of the games to get in the championship class.

Early league leaders, the Dons have lost three in a row, and any further losses will doom championship hopes.

THE J. V. baseball team travels to Diablo next Friday, May 23. The babes are slight favorites despite an earlier loss to Diablo.

Next Tuesday the Don Varsity travels to Albany for another league game. Then the lads try their luck with Diablo at Acalanes next Friday, May 23.

GOLF TACKLES a toughie next Friday when the Don divoters trade swings with West Campus of Contra Costa Junior College in their toughest match to date. The matches are scheduled for the Richmond course.

A tentative match is set for Monday at Orinda with J. C. East Campus furnishing the opposition, but definite confirmation had not been received at press time. If played, it would be held at Orinda.

TENNIS MEETS Albany there next Tuesday and the Dons are heavy favorites.

Next Friday the racqueteers meet their toughest league competition in Mt. Diablo, with the scene of action the local courts. The Dons rate as favorites, but will have to be at their best.

Track winds up a most successful season when the Acalanes thinclads compete in the North Coast Section meet at Berkeley tomorrow.

Qualifiers will go to the State meet on Saturday, May 24, in Los Angeles.

Demos Endorse Five Candidates At Recent Meet

Robert C. Condon, Walnut Creek, candidate for Congress for the Sixth District, was one of five candidates endorsed by the Contra Costa County Democratic Central Committee at its official meeting recently.

Other candidates endorsed at the same time included:

Clinton T. McKinnon, San Diego, for U. S. Senator.

George Miller, Jr., Martinez, for re-election as State Senator.

S. C. Masterson, Richmond, for State Assemblyman in the new Eleventh District.

Harmon Welsh, Port Chicago, for State Assemblyman in the Tenth District.

All the endorsements were unanimous by the 18 members present.

To finance the candidacies of the endorsed candidates a motion was passed for each member of the committee to raise $100 to be sent to Committee Treasurer Cappy Ricks.

A $15 PER PLATE dinner in honor of Condon is scheduled for the Richmond Golf Club house on May 16. Another dinner is slated for him in Concord on May 29.

Area Residents Aid in Campaign For Road Bonds

Joseph L. Judson, chairman of the Contra Costa Citizens' Highway Committee of 100, has announced names of the Second Supervisorial District committee members actively directing in their areas the informative campaign on Proposition A, the $10,250,000 good roads bond issue on the June 3 ballot.

"The interest these leading citizens have exhibited in this program to get good roads for Contra Costa with a 2 to 10 cent reduction in the county's highway road budget is most heartening," Judson said. "Our only problem is informing the public of the benefits and the opportunity available through the long term, 25 years, financing that the Board of Supervisors has invoked."

The Second District committee members by areas are:

Lafayette—William H. Werner, Pauline Johnson and Captain A. G. Sanford.

Orinda—Warren Harrold and Ramsay D. Underwood.

Danville—James B. Root, Judge Horace Van Gordon and R. Marotte.

Crockett—Arthur F. Rodriquez.

Moraga—W. U. Barnes.

Port Costa—Judge William Urbick.

Alhambra Valley—Mrs. Elizabeth Hoey and L. E. Mullen.

Alamo—E. G. Feagan.

Mitchell Canyon Day Camp Site

Day Camp, one of the phases of camping provided by the Diablo Valley Area Girl Scouts, soon will be in full swing.

Day Camp this year will have exclusive use of Upper Mitchell Canyon, located 12 miles east of Walnut Creek on the Clayton Valley road.

A committee has secured the services of the Blackwood Bus Company. Transportation will proceed on the following schedule: Buses will leave Orinda Theater at 8:30 a.m.; Lafayette Theater at 8:45 a.m.; Walnut Creek City Park at 9 a.m.; Oak Grove School at 9:15 a.m.; Pleasant Hill School at 8:30 a.m.; and Diablo Vista School at 8:30 a.m.

Mrs. Ellen Wikander and Mrs. Grace Davidson will act as assistant directors and will be assisted by program aides to care for the day campers.

Swimming will be a part of the program and a swimming show will top off each of the four sessions. There also will be an overnight for the intermediate scouts.

Recently day camp personnel, old, new and just interested, held a reunion at the city park in Walnut Creek. Refreshments were served by day camp committee headed by Mrs. Merlin Jucksch, and assisted by Mrs. Fern Christensen of Lafayette.
